Part I Fundamentals of Structural Assessment 1

Chapter 1 The Process of Structural Assessment 3
Initial Contact with Client 3
Structural Assessment Process 4
Review of Key Points 6
Self-Check 6

Chapter 2 Assessing the Feet and Ankles. 9
Basic Anatomy 9
Common Deviations 10
Assessment Process 11
How the Feet and Ankles Relate to the Knees 16
Review of Key Points 18
Self-Check 19
Structural Assessment Skills Test 20

Chapter 3 Assessing the Knees 21
Basic Anatomy 21
Common Deviations 22
Assessment Process 22
Teaching Clients Neutral Position of the Knee 26
How the Knees Relate to the Feet and Ankles and the Lumbo-Pelvic Hip Girdle 26
Review of Key Points 28
Self-Check 29
Structural Assessment Skills Test 30

Chapter 4 Assessing the Lumbo-Pelvic Hip Girdle 31
Basic Anatomy 31
Common Deviations 32
Assessment Process 32
Teaching Clients Neutral Position of the Lumbo-Pelvic Hip Girdle 35
How the Lumbo-Pelvic Hip Girdle Relates to the Feet, Ankles, Knees, and Thoracic Spine and Shoulder Girdle 36
Review of Key Points 38
Self-Check 39
Structural Assessment Skills Test 40

Chapter 5 Assessing the Thoracic Spine and Shoulder Girdle. 41
Basic Anatomy 41
Common Deviations 41
Assessment Process 42
Teaching Clients Neutral Position of the Thoracic Spine and Shoulder Girdle 46
How the Thoracic Spine and Shoulder Girdle Relate to All Other Areas of the Body 47
Review of Key Points 50
Self-Check 50
Structural Assessment Skills Test 51

Chapter 6	Assessing the Neck and Head	53
	Basic Anatomy	53
	Common Deviations	53
	Assessment Process	54
	Teaching Clients Neutral Position of the Neck and Head	56
	How the Head and Neck Relate to the Rest of the Body	56
	Concluding the Structural Assessment Process	58
	Review of Key Points	58
	Self-Check	59
	Structural Assessment Skills Test	60
Part II	Understanding Muscles and Movement	61
Chapter 7	Anatomy in Real Life	63
	How Gravity Affects Movement	63
	How Ground Reaction Forces Affect Movement	64
	Overview of the Musculoskeletal System	64
	Human Bungee Cord System	66
	Review of Key Points	68
	Self-Check	68
Chapter 8	Functional Anatomy of the Feet and Ankles	69
	Bones and Joints	69
	Soft Tissue Structures	69
	Muscles	72
	Effect of Foot and Ankle Muscles on the Most Common Musculoskeletal Deviations	76
	Review of Key Points	77
	Self-Check	78
Chapter 9	Functional Anatomy of the Knees	79
	Bones and Joints	79
	Soft Tissue Structures	79
	Muscles	80
	Effect of Knee Muscles on the Most Common Musculoskeletal Deviations	87
	Review of Key Points	90
	Self-Check	90
Chapter 10	Functional Anatomy of the Lumbo-Pelvic Hip Girdle	93
	Bones and Joints	93
	Soft Tissue Structures	93
	Muscles	94
	Effect of Lumbo-Pelvic Hip Girdle Muscles on the Most Common Musculoskeletal Deviations	102
	Review of Key Points	105
	Self-Check	105
Chapter 11	Functional Anatomy of the Thoracic Spine and Shoulder Girdle	107
	Bones and Joints	107
	Soft Tissue Structures	107
	Muscles	109
	Effect of the Thoracic Spine and Shoulder Girdle Muscles on the Most Common Musculoskeletal Deviations	116
	Review of Key Points	119
	Self-Check	119

Chapter 12	Functional Anatomy of the Neck and Head	121
	Bones and Joints 121	
	Soft Tissue Structures 121	
	Muscles 122	
	Effect of the Neck and Head Muscles on the Most Common Musculoskeletal Deviations 126	
	Review of Key Points 128	
	Self-Check 129	
Chapter 13	Fascia	131
	Fascial Systems for Flexion and Extension 131	
	Fascial Systems for Lateral Movement 132	
	Fascial Systems for Rotational Movement 133	
	Fascial Systems and Complex Movement 134	
	Review of Key Points 135	
	Self-Check 135	
Part III Fundamentals of Corrective Exercise		137
Chapter 14	Elements of Corrective Exercise Programs	139
	Building Client Confidence 139	
	Order of Exercises 140	
	Evaluating Exercises 140	
	Review of Key Points 141	
	Self-Check 142	
Chapter 15	Self-Myofascial Release	143
	What Is Self-Myofascial Release? 143	
	Origins of Self-Myofascial Release 144	
	Benefits of Self-Myofascial Release 144	
	Types of Self-Myofascial Release 145	
	Teaching Tips for Self-Myofascial Release Techniques 146	
	When Not to Use Self-Myofascial Release Techniques 149	
	Additional Considerations 150	
	Review of Key Points 150	
	Self-Check 151	
Chapter 16	Stretching	153
	What Is Stretching? 153	
	Origins of Stretching 153	
	Benefits of Stretching 154	
	Types of Stretches 154	
	Teaching Tips for Stretching Exercises 156	
	When Not to Use Stretching Exercises 160	
	Additional Considerations 160	
	Review of Key Points 161	
	Self-Check 161	
Chapter 17	Strengthening	163
	What Is Strengthening? 163	
	Origins of Strengthening Exercises 163	
	Benefits of Strengthening Exercises 164	
	Types of Strengthening Exercises 164	
	Teaching Tips for Strengthening Exercises 169	
	When Not to Use Strengthening Exercises 173	
	Additional Considerations 174	
	Review of Key Points 175	
	Self-Check 175	

Chapter 18	Static Postural Considerations	177
	Standing Postures	177
	Seated Postures	180
	Sleeping Postures	181
	Review of Key Points	183
	Self-Check 1	184
	Self-Check 2	185

Part IV Complete Corrective Exercise Library **187**

Chapter 19	Self-Myofascial Release Exercises	189
	Self-Myofascial Release Quick Tips	189
	Self-Myofascial Release Exercise Library	191
	Golf Ball Roll	192
	Calf Massage	194
	Foam Roller Quadriceps	196
	Foam Roller IT Band	198
	Foam Roller on Inner Thigh	200
	Foam Roller Hip Flexors	202
	Tennis Ball on Hip Flexors	204
	Foam Roller Gluteal Complex	206
	Tennis Ball Side of Hip	208
	One Tennis Ball on Lower Back	210
	Foam Roller Quadratus Lumborum	212
	Two Tennis Balls on Upper Back	214
	Foam Roller Thoracic Spine	216
	Foam Roller on Lats	218
	Tennis Ball Around Shoulder Blade	220
	Tennis Ball on Shoulder Blade	222
	Abdominal Massage	224
	Chest Massage	226
	Front of Shoulder Massage	228
	Tennis Ball on Biceps	230
	Forearm Massage	232
	Hand Massage	234
	Theracane on Trapezius	236
	Theracane Back of Neck	238
	Review of Key Points	240
	Self-Check	240

Chapter 20	Stretching Exercises	241
	Stretching Exercise Quick Tips	241
	Stretching Exercise Library	243
	Foot and Toe Stretch	244
	Calf Stretch	246
	Quadriceps Stretch	248
	Hamstring Stretch	250
	Glute Stretch	252
	Piriformis Stretch	254
	Abductor Stretch	256
	Adductor Stretch	258
	Lower Back Stretch	260
	Lying Rotation Stretch	262

- Hip Flexor Stretch (Sagittal) 264
- Hip Flexor Stretch (Frontal) 266
- Hip Flexor Stretch (Transverse) 268
- Door Frame Stretch 270
- Chest Stretch 272
- Biceps Stretch 274
- “Why” Stretch 276
- Lying Front of Shoulder Stretch 278
- Neck Extensors Stretch 280
- Trapezius Stretch 282
- Palm on Wall Stretch 284
- Forearm Stretch 286
- Wall Rotation Stretch 288
- Review of Key Points 290
- Self-Check 290

Chapter 21 Strengthening Exercises 291

- Strengthening Exercise Quick Tips 291
- Strengthening Exercise Library 293
 - Big Toe Pushdowns 294
 - Lying Pelvic Tilt 296
 - Duck Stand 298
 - Gluteal Activation Over Ball 300
 - Butt Lift 302
 - Side Lying Leg Lift 304
 - Shoulder Retraction on Floor 306
 - Straight Arm Pulldown 308
 - Seated Row 310
 - The Flasher (Lying) 312
 - The Wave Goodbye (Lying) 314
 - Straight Arm Raise (Lying) 316
 - Neck Flexion 318
 - Extension Crunch 320
 - Back Step With Arm Raise 322
 - Lunge With Knee Pull 324
 - Lunge With Arm Raise 326
 - Lunge With Side Reach 328
 - Side Lunge With Rotation 330
 - The Pivot 332
 - Lunge To Step Up 334
 - Sumo Squat With Rotation 336
- Review of Key Points 338
- Self-Check 339

Part V Corrective Exercise Program Design 341

Chapter 22 Building Successful Client Relationships343

- Understanding Basic Motivations and Behavior 343
- How Roles Affect Behavior 344
- Encouraging Client Participation 344
- Functioning as a Facilitator 345
- Review of Key Points 345
- Self-Check 346

Chapter 23	Conducting Consultations.	349
	First Contact	349
	Verbal Assessment Process	350
	Visual and Hands-On Assessment Process	353
	Closing the Deal	355
	Review of Key Points	358
	Self-Check 1	358
	Self-Check 2	359
Chapter 24	Structuring Sessions and Programs.	361
	Beginning and Building Programs	361
	Practical Considerations for Beginning and Building Programs	362
	Review of Key Points	365
	Self-Check	365
Chapter 25	Sample Sessions and Program.	367
	Client Background Information	367
	Client Goals	368
	Structural Assessment Results	368
	Exercise Programming and Recommendations	368
	Case Study Conclusion	377
	Documenting Your Own Clients' Homework	377
	Self-Check	377
Part VI	Business of Corrective Exercise	379
Chapter 26	Enhancing Your Professional Image	381
	Perfecting Your Protocols and Procedures	381
	Improving Your Image to Attract New Clients	382
	Integrating Corrective Exercise Protocols With Current Clients	384
	Keys to Success	386
	Review of Key Points	386
	Self-Check	386
Chapter 27	Marketing Your Corrective Exercise Services	389
	Understanding How Marketing Works	389
	Creating Marketing Messages	394
	Evaluating Delivery Methods	394
	Implementing Your Marketing Strategy	395
	Transitioning to a Full-Time Corrective Exercise Specialist	397
	Review of Key Points	398
	Self-Check	399
Chapter 28	Scope of Practice, Networks, and Referrals.	401
	Maintaining Your Scope of Practice	401
	Developing Professional Networks and Referrals	402
	Social Media and Networking Groups	404
	Networking With Your Clients	404
	Review of Key Points	405
	Self-Check	406
	Appendix: Blank Client Assessment Diagram	407
	Glossary	409
	References	413
	Index	425
	About the Author	432
