Abbreviations vii

1. Physiology of Centres of Fusion, Diagonals and Motor Schemes: Treatment of the Diagonals. 1

Physiology: Centres of Fusion. 2
 Diagonals and motor schemes 14
 Treatment of the mf diagonals. 29
 Assessment chart for the treatment of diagonals and spirals 38

2. The myofascial diagonal of ante-medio 39

An-me diagonal of the upper limb 40
 Centre of fusion: ante-medio-digiti 40
 Centre of fusion: ante-medio-carpus 42
 Centre of fusion: ante-medio-cubitus 44
 Centre of fusion: ante-medio-humerus 46
 Centre of fusion: ante-medio-scapula 48
 An-me diagonal of the trunk 50
 Centre of fusion: ante-medio-caput 50
 Centre of fusion: ante-medio-collum 54
 Centre of fusion: ante-medio-thorax 56
 Centre of fusion: ante-medio-lumbi 60
 Centre of fusion: ante-medio-pelvis 64
 An-me diagonal of the lower limb 68
 Centre of fusion: ante-medio-pes 68
 Centre of fusion: ante-medio-talus 72
 Centre of fusion: ante-medio-genu 74
 Centre of fusion: ante-medio-coxa 78
 Treatment strategies for the ante-medio diagonal 80

3. The myofascial diagonal of ante-latero 81

An-la diagonal of the upper limb 82
 Centre of fusion: ante-latero-digiti 82
 Centre of fusion: ante-latero-carpus 84
 Centre of fusion: ante-latero-cubitus 86
 Centre of fusion: ante-latero-humerus 88
 Centre of fusion: ante-latero-scapula 90
 An-la diagonal of the trunk 92
 Centre of fusion: ante-latero-caput 92
 Centre of fusion: ante-latero-collum 96
 Centre of fusion: ante-latero-thorax 98
 Centre of fusion: ante-latero-lumbi 100

Centre of fusion: ante-latero-pelvis. 102
 An-la diagonal of the lower limb 104
 Centre of fusion: ante-latero-pes 104
 Centre of fusion: ante-latero-talus 108
 Centre of fusion: ante-latero-genu 110
 Centre of fusion: ante-latero-coxa 114
 Treatment strategies for the ante-latero diagonal 116

4. The myofascial diagonal of retro-medio 117

Re-me diagonal of the upper limb 118
 Centre of fusion: retro-medio-digiti 118
 Centre of fusion: retro-medio-carpus 120
 Centre of fusion: retro-medio-cubitus 122
 Centre of fusion: retro-medio-humerus 124
 Centre of fusion: retro-medio-scapula 126
 Re-me diagonal of the trunk 128
 Centre of fusion: retro-medio-caput 128
 Centre of fusion: retro-medio-collum 132
 Centre of fusion: retro-medio-thorax 134
 Centre of fusion: retro-medio-lumbi 138
 Centre of fusion: retro-medio-pelvis 140
 Re-me diagonal of the lower limb 142
 Centre of fusion: retro-medio-pes 142
 Centre of fusion: retro-medio-talus 146
 Centre of fusion: retro-medio-genu 148
 Centre of fusion: retro-medio-coxa 150
 Treatment strategies for the retro-medio diagonal 152

5. The myofascial diagonal of retro-latero 153

Re-la diagonal of the upper limb 154
 Centre of fusion: retro-latero-digiti 154
 Centre of fusion: retro-latero-carpus 156
 Centre of fusion: retro-latero-cubitus 158
 Centre of fusion: retro-latero-humerus 160
 Centre of fusion: retro-latero-scapula 162
 Re-la diagonal of the trunk 164
 Centre of fusion: retro-latero-caput 164
 Centre of fusion: retro-latero-collum 168
 Centre of fusion: retro-latero-thorax 170
 Centre of fusion: retro-latero-lumbi 172
 Centre of fusion: retro-latero-pelvis 174
 Re-la diagonal of the lower limb 176

Centre of fusion: retro-latero-pes	176
Centre of fusion: retro-latero-talus	180
Centre of fusion: retro-latero-genu	182
Centre of fusion: retro-latero-coxa	184
Treatment strategies for the retro-latero diagonal	186

6. Physiology and anatomy of retinacula Physiology and anatomy of spirals Treatment of the spirals 187

Physiology of retinacula	188
Anatomy of retinacula	196
Physiology of the spirals	204
Anatomy of the spirals	208
Treatment of the spirals	216

7. Myofascial spirals: upper limb, trunk and lower limb 225

Spirals of the upper limb	226
Ante-latero-digiti spiral	228
Ante-medio-digiti spiral	230
Retro-latero-digiti spiral	232
Retro-medio-digiti spiral	234
Short spirals of the trunk	238
Anterior short spiral	240
Posterior short spiral	244
Long spirals of the trunk	246
An-la & an-me caput spiral	248

Re-la & re-me-caput spiral	250
Spirals of the lower limb	252
Ante-latero-pes spiral	254
Ante-medio-pes spiral	256
Retro-latero-pes spiral	258
Retro-medio-pes spiral	260
Treatment strategies for the spirals	262

8. Synoptic tables 263

CC and CF of the head and trunk	264
CC and CF of the upper limb	270
CC and CF of the lower limb	273
Diagonals of the human body	276
MF spirals of the trunk and limbs	278
Origin of the upper limb diagonals and spirals	282
Origin of the lower limb diagonals and spirals	283
Correlation between nerves and Centres of Coordination (CC) and Centres of Fusion (CF)	284
Locomotor apparatus dysfunctions: some indications for Fascial Manipulation	286
Strategies for treatment of the CF	287
Acupuncture points, CC and CF	288
Conclusion	291
References	292
