A complex maze with a winter theme. The maze is composed of thick white lines on a light background. Various winter-themed objects are placed within the maze: a red mug with a heart and steam, a gingerbread man, a blue and red sock, a yellow and red mitten, a red and yellow scarf, a blue and orange hat, and a green scarf. The background is decorated with small yellow stars and dots. The maze has several entrances and exits, with some paths leading to the objects and others leading out of the maze.
