Part 1 Foundations Of Pediatric Practice

Chapter 1 Structure of the Frame of Reference: Moving From Theory to Practice

Essential Component Parts of the Frame of Reference

Summary

References

Chapter 2 Developmental Perspective: Fundamentals of Developmental Theory

Stage-Specific Theories

Ecological Theories

Acquisitional Learning Theories

Using Developmental Theories in Frames of Reference

References

Chapter 3 Domain of Concern of Occupational Therapy: Relevance to Pediatric Practice

Classification Systems

International Classification of Functioning

The Relationship of the Occupational Therapy Domain of Concern to Intervention

Summary

References

Chapter 4 Pediatric Occupational Therapy's Contemporary Legitimate Tools

Critical Reasoning

Conscious Use of Self

Activities

The Nonhuman Environment

Teaching–Learning Process

Sensory Stimulation With an Adaptive Response

Occupation

Summary

References

Chapter 5 Contextual Influence on Pediatric Practice

Locus of Pediatric Practice in Health and Education Systems

Context and Environment

Organizing Paradigms in Pediatric Health and Education Systems

Considering Context When Planning Occupational Therapy Service

Transitions

Social Paradigms and Occupational Therapy Practice

Applying Frames of Reference in Context

Family and Professional Relationships in the Context of Health and Education Systems

Summary

References

Part 2 Commonly Used Frames of Reference

Chapter 6 Ayres Sensory Integration® Frame of Reference

Theoretical Base

Function/Dysfunction Continua

Guide for Evaluation

Postulates Regarding Change

Application to Practice

Case Examples

Postgraduate Education

Supporting Evidence

Acknowledgment

References

Chapter 7 A Frame of Reference for Sensory Processing Difficulties: Sensory Therapies and Research (STAR)

Theoretical Base

Function/Dysfunction Continua

Guide for Evaluation

Postulates Regarding Change

Application to Practice

Case Example

Supporting Evidence

Summary

References

Chapter 8 A Frame of Reference for Neuro-Developmental Treatment

Theoretical Base

Function/Dysfunction Continua

Indicators of Alignment and Patterns of Weight Bearing

Guide for Evaluation

General Postulates Regarding Change

Application to Practice

Supporting Evidence

Summary

Acknowledgment

References

Chapter 9 A Biomechanical Frame of Reference to Position Children for Function

Theoretical Base

Function/Dysfunction Continua

Guide for Evaluation

Postulates Regarding Change

Application to Practice

Case Examples

Supporting Evidence

Summary

Acknowledgments

References

Chapter 10 A Frame of Reference for Visual Perception

- Theoretical Base
- Function/Dysfunction Continua
- Guide for Evaluation
- Postulates Regarding Change
- Application to Practice
- Case Examples
- Supporting Evidence
- Summary
- References

Chapter 11 A Frame of Reference for Teaching-Learning: The Four-Quadrant Model of Facilitated Learning (4QM)

- Theoretical Base
- Function/Dysfunction Continuum
- Guide for Evaluation
- Postulates Regarding Change
- Application to Practice
- Supporting Evidence
- Case Example
- References

Chapter 12 Frame of Reference for Motor Skill Acquisition

- Theoretical Base
- Function/Dysfunction Continua
- Guide for Evaluation
- Postulates Regarding Change
- Application to Practice
- Case Example
- Supporting Evidence
- Summary
- References

Part 3 Focused Frames of Reference

Chapter 13 A Frame of Reference for Developing Handwriting Skills

- Theoretical Base
- Function/Dysfunction Continua

Guide for Evaluation
Postulates Regarding Change
Application to Practice
Case Examples
Supporting Evidence
References

Chapter 14 A Frame of Reference for Enhancing Social Participation

Theoretical Base
Function/Dysfunction Continua
Guide for Evaluation
Postulates Regarding Change
Application to Practice
Case Examples
Supporting Evidence
Summary
References

Chapter 15 A Strength-based Frame of Reference for Autistic Individuals

Theoretical Base
Function/Dysfunction Continua
Guide for Evaluation
Postulates Regarding Change
Application to Practice
Case Examples
Supporting Evidence
References

Chapter 16 A Frame of Reference for School-Aged Children with Anxiety and Depression

Theoretical Base
Function/Dysfunction Continua
Guide for Evaluation
Postulates Regarding Change
Directional Postulate Regarding Change
Application to Practice
Case Example
Supporting Evidence
Summary

References

Part 4 Summary

Chapter 17 Frames of Reference in the Real World

Articulating the Frame of Reference

The Art of Practice With Children

Alternative Application of Frames of Reference

Summary

References

Index
