List of Contributors	xi
Preface	xvii
<b>Part One Speech Production and Development</b>	<b>1</b>
<i>Sara Howard and Anette Lohmander</i>	
<b>1 Physical Structure and Function and Speech Production Associated with Cleft Palate</b>	<b>5</b>
<i>Martin Atkinson and Sara Howard</i>	
1.1 Introduction	5
1.2 The Hard and Soft Palates and the Velopharynx	6
1.3 The Tonsils and Adenoids	9
1.4 The Larynx	11
1.5 The Jaws, Dentition and Occlusion	12
1.6 Symmetry: Structure and Function	15
1.7 The Tongue	16
1.8 The Lips	18
1.9 Summary: Compensations Across Systems	19
References	19
<b>2 The Development of Speech in Children with Cleft Palate</b>	<b>23</b>
<i>Kathy L. Chapman and Elisabeth Willadsen</i>	
2.1 Overview	23
2.2 The Impact of Clefting on Speech Production	24
2.3 Variables Impacting Speech Development for Young Children with Cleft Palate	25
2.4 Speech Development: Birth to Age Five	26
2.5 Conclusion	35
References	36
<b>3 The Influence of Related Conditions on Speech and Communication</b>	<b>41</b>
<i>Christina Persson and Lotta Sjögren</i>	
3.1 Introduction	41
3.2 Conditions Related to Structural Etiologies	42
3.3 Conditions Related to Neurological Aetiology	47

3.4	Conditions Related to a Combination of Structural and Neurological Aetiology	49
3.5	Clinical Implications	50
	References	50
<b>4</b>	<b>Surgical Intervention and Speech Outcomes in Cleft Lip and Palate</b>	<b>55</b>
	<i>Anette Lohmander</i>	
4.1	Introduction	55
4.2	Basics of Surgery on Cleft Palate	57
4.3	Basics of Outcomes	64
4.4	Speech Outcomes	65
4.5	Conclusion	69
	Appendix 4.A Review of Evidence and Methodology in Studies of Speech Outcome in Individuals Born with Cleft Lip and Palate	70
	References	82
<b>5</b>	<b>Secondary Management and Speech Outcome</b>	<b>87</b>
	<i>John E. Riski</i>	
5.1	Introduction	87
5.2	Secondary Surgical Management of Velopharyngeal Incompetence	88
5.3	Secondary Pharyngeal Flap	88
5.4	Posterior Pharyngeal Wall Augmentation by Muscle Transposition	91
5.5	Studies Comparing Treatments of VPI	94
5.6	Posterior Pharyngeal Wall Augmentation by Implants and Injections	95
5.7	Velarplasty	96
5.8	Other Considerations in Managing VPI	97
5.9	Complications Secondary to Pharyngoplasties	99
5.10	Conclusions	99
	References	100
<b>6</b>	<b>Cleft Palate Speech in the Majority World: Models of Intervention and Speech Outcomes in Diverse Cultural and Language Contexts</b>	<b>105</b>
	<i>Debbie Sell, Roopa Nagarajan and Mary Wickenden</i>	
6.1	Introduction	105
6.2	Speech Outcomes in a Majority World Context	106
6.3	Different Models of Provision	109
6.4	Attitudes/Cultural Aspects	115
6.5	Conclusion	119
	References	119
<b>Part Two</b>	<b>Speech Assessment and Intervention</b>	<b>123</b>
	<i>Anette Lohmander and Sara Howard</i>	
<b>7</b>	<b>Phonetic Transcription for Speech Related to Cleft Palate</b>	<b>127</b>
	<i>Sara Howard</i>	

7.1	Introduction	127
7.2	What is Phonetic Transcription?	128
7.3	Why Transcribe?	129
7.4	What to Transcribe and How to Transcribe It	130
7.5	Features of Cleft Speech Production	131
7.6	Pitfalls of Transcription	134
7.7	Conclusion	138
	Appendices	139
	References	142
<b>8</b>	<b>Instrumentation in the Analysis of the Structure and Function of the Velopharyngeal Mechanism</b>	<b>145</b>
	<i>Debbie Sell and Valerie Pereira</i>	
8.1	Introduction	145
8.2	Visualization of the Velopharyngeal Mechanism	147
8.3	Multiview Videofluoroscopy	147
8.4	Nasendoscopy Procedure	151
8.5	Magnetic Resonance Imaging (MRI)	155
8.6	Variability in Practice	158
8.7	Future	162
	References	162
<b>9</b>	<b>Cross Linguistic Perspectives on Speech Assessment in Cleft Palate</b>	<b>167</b>
	<i>Gunilla Henningsson and Elisabeth Willadsen</i>	
9.1	Introduction	167
9.2	Vulnerable Speech Sounds	168
9.3	Language Background of the Listener Assessing the Speech of Children with Cleft Palate	170
9.4	What Is Known about More Unfamiliar Languages?	173
9.5	Cross Linguistic Speech Samples	173
9.6	Influence on Assessment of Language Acquisition in the Young Child with Cleft Palate	176
9.7	Conclusion	177
	References	177
<b>10</b>	<b>Voice Assessment and Intervention</b>	<b>181</b>
	<i>Lesley Cavalli</i>	
10.1	Introduction	181
10.2	Defining a Voice Disorder	181
10.3	Assessment	184
10.4	Instrumental Assessment	189
10.5	Vocal Handicap Measures	190
10.6	Treatment	191
10.7	Conclusion	195
	References	196
<b>11</b>	<b>Nasality – Assessment and Intervention</b>	<b>199</b>
	<i>Triona Sweeney</i>	

11.1	Introduction	199
11.2	Perceptual Assessment of Nasality and Nasal Airflow Errors	205
11.3	Instrumental Assessment of Nasality and Nasal Airflow Errors	207
11.4	Interpreting Results	211
11.5	Intervention	214
11.6	Conclusion	216
	Appendix 11.A Temple Street Scale of Nasality and Nasal Airflow Errors	217
	References	217
<b>12</b>	<b>Articulation – Instruments for Research and Clinical Practice</b>	<b>221</b>
	<i>Fiona E. Gibbon and Alice Lee</i>	
12.1	Introduction	221
12.2	Electropalatography (EPG)	222
12.3	Imaging Techniques	228
12.4	Motion Tracking	233
12.5	Conclusion	235
	Acknowledgement	235
	References	235
<b>13</b>	<b>Psycholinguistic Assessment and Intervention</b>	<b>239</b>
	<i>Joy Stackhouse</i>	
13.1	Introduction	239
13.2	What is a Psycholinguistic Approach?	240
13.3	A Psycholinguistic Assessment Framework	242
13.4	Intervention from a Psycholinguistic Perspective	245
13.5	Literacy: Phonological Awareness and Spelling	250
13.6	Summary	254
	References	255
<b>14</b>	<b>Early Communication Assessment and Intervention</b>	<b>259</b>
	<i>Nancy Scherer and Brenda Louw</i>	
14.1	Introduction	259
14.2	Assessment	260
14.3	Intervention	267
	References	272
<b>15</b>	<b>Phonological Approaches to Speech Difficulties Associated with Cleft Palate</b>	<b>275</b>
	<i>Anne Harding-Bell and Sara Howard</i>	
15.1	Introduction	275
15.2	Variability, Variation and Compensation	277
15.3	Classification of Speech Difficulties Related to Cleft Palate	278
15.4	Phonological Assessment of Speech Data Related to Cleft Palate	278
15.5	Phonological Consequences of Speech Production Related to Cleft Palate	279
15.6	Intervention	283
15.7	Summary	287
	References	288
<b>16</b>	<b>Speech Intelligibility</b>	<b>293</b>
	<i>Tara L. Whitehill, Carrie L. Gotzke and Megan Hodge</i>	

16.1	Introduction	293
16.2	Definition of Intelligibility and Related Concepts	294
16.3	Measurement Issues	294
16.4	Studies of Intelligibility in Speakers with Cleft Palate	296
16.5	Current and Future Developments	298
16.6	Conclusion	300
	References	301
<b>17</b>	<b>Communicative Participation</b>	<b>305</b>
	<i>Christina Havstam and Anette Lohmander</i>	
17.1	Introduction	305
17.2	ICF	306
17.3	Communicative Participation	307
17.4	Conclusions and Clinical Implications	312
	References	312
<b>18</b>	<b>Evaluation and Evidence-Based Practice</b>	<b>317</b>
	<i>Linda D. Vallino-Napoli</i>	
18.1	Introduction	317
18.2	Intervention for Speech Disorders	318
18.3	Evidence-Based Practice	319
18.4	The Systematic Review Process	323
18.5	Evidence Findings Establishing Therapy Effectiveness	325
18.6	Instrumentation – Visual Feedback	349
18.7	Surgery	350
18.8	Comments about Intervention Effectiveness	351
18.9	Intervention and the International Classification of Function (ICF)	352
18.10	Research Designs for Intervention Studies	352
18.11	Conclusions	352
	Appendix 18.A Commonly Used Evidence Hierarchies for Intervention Studies	354
	References	354
	<b>Index</b>	<b>359</b>
