<i>Foreword</i>		<i>ix</i>
<i>Preface</i>		<i>xi</i>
<i>Acknowledgments</i>		<i>xiii</i>
<i>Contributors</i>		<i>xv</i>
PART I	INTRODUCTION	1
Chapter 1	Epidemiology of Swallowing Disorders <i>Thomas Murry, Ricardo L. Carrau, and Rebecca J. Howell</i>	3
PART II	ANATOMY AND PHYSIOLOGY OF SWALLOWING	9
Chapter 2	The Organs of Swallowing <i>David E. Eibling</i>	11
Chapter 3	The Normal Swallow <i>Rebecca J. Howell</i>	29
PART III	EVALUATION: A. CLINICAL EVALUATION	35
Chapter 4	The Otolaryngologist's Perspective <i>Ricardo L. Carrau and Rebecca J. Howell</i>	37
Chapter 5	Speech-Language Pathology: The Clinical Swallow Examination <i>Christina V. Nobrigha and Thomas Murry</i>	43
Chapter 6	Clinical Evaluation of Swallowing Disorders: The Pediatric Perspective <i>Charles M. Myer IV</i>	51
Chapter 7	Evaluation of Swallowing: The Gastroenterologist's Perspective <i>Andrew Lake and Satish S. C. Rao</i>	57
Chapter 8	The Neurologist's Perspective <i>Kathleen M. Sarber</i>	69
Chapter 9	Multidisciplinary Team Approach to the Management of Dysphagia <i>Winston T. Cheng</i>	77
Chapter 10	The Registered Dietitian/Nutritionist's Perspective <i>Shayne Robinson</i>	83
Chapter 11	Evaluation of Dysphagia: A Surgeon's Perspective <i>Ivy N. Haskins and Khashayar Vaziri</i>	89
PART III	EVALUATION: B. FUNCTIONAL TESTS	95
Chapter 12	The Radiological Evaluation of Dysphagia: The Barium Swallow <i>Michael C. Burke, Robert K. Zeman, and M. Reza Taheri</i>	97

Chapter 13	The Radiographical Evaluation of Dysphagia: The Modified Barium Swallow <i>Courtney L. Robinson</i>	117
Chapter 14	Functional Endoscopic Tests of Swallowing <i>Daniel Weinstein</i>	123
Chapter 15	Transnasal Esophagoscopy <i>Christopher M. Johnson and Gregory N. Postma</i>	129
Chapter 16	Gastroenterological Evaluation of Swallowing <i>Kulthep Rattanakovit, Tanisa Patcharatrakul, and Satish S. C. Rao</i>	139
Chapter 17	Laryngeal Electromyography <i>Steven Bielamowicz</i>	151
PART IV	PATHOPHYSIOLOGY OF SWALLOWING DISORDERS	159
Chapter 18	Pathophysiology of Neurogenic Oropharyngeal Dysphagia <i>James L. Coyle, John C. Rosenbek, and Atsuko Kurosu</i>	161
Chapter 19	Neuromuscular Disorders <i>Karen Wheeler Hegland</i>	185
Chapter 20	Iatrogenic Swallowing Disorders: Chemotherapy <i>Loni C. Arrese and Panayiotis (Panos) Savvides</i>	197
Chapter 21	Iatrogenic Swallowing Disorders: Radiotherapy <i>Dukagjin M. Blakaj, Loni C. Arrese, Virginia M. Diavolitsis, and John C. Grecula</i>	205
Chapter 22	Dysphagia and Tracheotomy <i>Rohan R. Joshi and Ashutosh Kacker</i>	215
Chapter 23	Surgery of the Oral Cavity, Oropharynx, and Hypopharynx <i>Qasim Husain and Marc A. Cohen</i>	223
Chapter 24	Pathophysiology of Swallowing Disorders After Laryngectomy <i>Mahmoud Issam Awad and David I. Kutler</i>	231
Chapter 25	Dysphagia Associated with Skull Base Surgery <i>C. Arturo Solares and Ricardo L. Carrau</i>	239
Chapter 26	Thyroid Surgery <i>David L. Steward</i>	245
Chapter 27	Swallowing Disorder After Cervical Spine Surgery <i>David Dornbos III, Nolan B. Seim, and Ehud Mendel</i>	251
Chapter 28	Disorders of Esophageal Motility <i>Roberta J. Hunter</i>	261
Chapter 29	Zenker and Other Esophageal Diverticula <i>Rebecca J. Howell and John Paul Giliberto</i>	269
Chapter 30	Autoimmune Disorders <i>Saravanan Thiagarajan and Surabhi A. Khanna</i>	277
Chapter 31	Neoplasia of the Upper Aerodigestive Tract: Primary Tumors and Secondary Involvement <i>Brianna K. Crawley</i>	293

Chapter 32	Benign Esophageal Webs and Strictures <i>Ashli O'Rourke</i>	305
Chapter 33	Cardiopulmonary Disorders <i>Abhimanyu Saini and Ashima Sahni</i>	317
Chapter 34	Infectious Diseases <i>Kelli McCauley Williams and Rajat Madan</i>	323
PART V	NONSURGICAL TREATMENT OF SWALLOWING DISORDERS	331
Chapter 35	Diet Modifications <i>Shayne Robinson</i>	333
Chapter 36	Nonsurgical Therapeutic Intervention for Swallowing Disorders <i>Thomas Murry and Karen Wheeler Hegland</i>	337
Chapter 37	Dental Prosthetics <i>Rebecca Leonard</i>	347
Chapter 38	Passy-Muir Valve/Decannulation <i>Roxann Diez Gross, Lauren Dorn Enloe, and Stephanie Eleazar Reyes</i>	355
PART VI	SURGICAL TREATMENT OF SWALLOWING DISORDERS	367
Chapter 39	Tracheostomy <i>Paul M. Weinberger and Rebecca J. Howell</i>	369
Chapter 40	Vocal Fold Injection <i>Brad W. deSilva and Laura Matrka</i>	379
Chapter 41	Laryngeal Framework Surgery: Medialization Laryngoplasty <i>Robert J. Andrews, James L. Netterville, and Albert L. Mercati</i>	389
Chapter 42	Cricopharyngeal Myotomy <i>Marsha S. Reuther and Gregory N. Postma</i>	395
Chapter 43	Palatal Adhesion/Pharyngeal Flap <i>James L. Netterville</i>	403
Chapter 44	Management of Intractable Aspiration <i>Maggie A. Kuhn</i>	409
Chapter 45	Gastrostomy <i>Edward L. Jones and Jeffrey W. Hazey</i>	419
Chapter 46	Surgical Management of Zenker and Other Esophageal Diverticula <i>Rebecca J. Howell and John Paul Giliberto</i>	429
Chapter 47	Esophagectomy for Swallowing Disorders <i>Winifred M. Lo and Valerie A. Williams</i>	439
Chapter 48	Motility Disorders of Esophagus and Surgical Interventions <i>Melanie H. Howell and Erin Moran-Atkin</i>	447
Chapter 49	Gastroesophageal Reflux Disease: Surgical Management and Other Novel Therapies <i>Hope T. Jackson and Khashayar Vaziri</i>	459

PART VII	SWALLOWING DISORDERS: PREVALENCE AND MANAGEMENT IN SPECIAL POPULATIONS	469
Chapter 50	Pediatric Dysphagia: Disorders of Swallowing and Feeding <i>Justin C. Cohen and Thomas Murry</i>	471
Chapter 51	Swallowing Disorders in the Critical Care Patient <i>Bernice K. Klaben and Heidi Schieve</i>	481
Chapter 52	Dysphagia in the Elderly <i>David E. Eibling and James L. Coyle</i>	489
Chapter 53	Aspiration Pneumonia <i>Priya D. Krishna</i>	499
Chapter 54	Expiratory Muscle Strength Training as a Therapy Modality <i>Christine M. Sapienza, Bari Hoffman Ruddy, Erin P. Silverman, and Emily K. Plowman</i>	509
